

## FROM THE PASTOR

Dear Parishioners,

Leaving the earth, the space shuttle steadily gained speed on its way to 17,500 miles per hour. It takes eight minutes for the blue sky in the window to turn black when the shuttle reaches orbit at 210 miles above the planet. Like a small star, the shuttle rises into majestic silence beginning its race around the world. Watchers can only stare at the sky and wonder as the shuttle flies unseen into the realms of outer space.

At His Ascension, Jesus rose into the unseen realms of His Father. The disciples were left gaping at the empty sky where once He was. Jesus disappeared from sight but reappears in our lives in the faces of all humanity. He is present within us now.

Yours in Christ,  
*Father Dave*

**Reading II:** 1 Peter 4:13-16

**Gospel:** John 17:1-11a

### GOSPEL REFLECTION

#### *The Mission in the World*

Having ascended into heaven, Jesus can now say that I am in the world no more, but these are in the world. He is not physically present in the world the way he was in the first third of the first century. It is now up to us to deal with the world.

During the period dominated by Trent and Vatican I, the Catholic Church was defensive in its approach to the world, which was regarded as an occasion of sin. Vatican II heralded a new approach based on dialogue rather than confrontation.

The world is viewed not as the enemy but rather as the object of service. This positive approach is much closer to our biblical roots: I believe that I shall see the good things of the Lord in the land of the living.

Time is the unfolding of truth that already is. The world and its history are where we encounter the eternal God, reaching from end to end of the universe. We are not called to abandon the world but to remain in it and to take responsibility for its well ordering. The paschal mystery is a challenge to us to lift the world to the heavens.

*"Holding faithfully to the gospel and exercising her mission in the world, the Church consolidates peace among men, to God's glory. For it is her task to uncover, cherish, and ennoble all that is true, good, and beautiful in the human community."*

Vatican II, Constitution on the Church in the Modern World (1965) 76

### Next Week's Readings

**Pentecost** (June 11/12)

**Reading I:** Acts 2:1-11

**Reading II:** 1 Corinthians 12:3b-7, 12-13

## A Hymn for the Graduate.

For the Splendor of Creation – *Gustav Holst*

For the splendor of creation that draws us to inquire,  
For the mysteries of knowledge to which our hearts  
aspire,  
For the deep and subtle beauties which delight the eye  
and ear,  
For the discipline of logic, the struggle to be clear,  
For the unexplained remainder, the puzzling and the  
odd:  
For the joy and pain of learning, we give you thanks, O  
God.  
For the scholars past and present whose bounty we  
digest,  
For the teachers who inspire us to summon forth our  
best,  
For our rivals and companions, sometimes foolish,  
sometimes wise,  
For the human web upholding this noble enterprise,  
For the common life that binds us through days that soar  
or plod:  
For this place and for these people, we give you thanks,  
O God.

**SPF: Sun Protecting Facts!** Sitting out in the sun, roasting in baby oil, may give you a beautiful, healthy-looking tan, but getting sunburned is not healthy for your skin. The sun's ultra-violet (UV) rays burn, cause premature wrinkling and "leathering," and may lead to skin cancers on areas of the body that are repeatedly exposed.

If you work outside or like to garden, wear a hat. If you jog, walk or bike, avoid mid-day when sun is the hottest. If you must sit on the beach all day, make sure you have an umbrella, a hat and a cover-up. Above all, don't forget to put on sunscreen whenever you and your children go outside!

When purchasing sunscreen, the Sun Protection Factor (SPF) tells you how effectively the sunscreen's formula protects the skin from exposure to burning UV rays. The higher the SPF, the greater the protection against skin-damaging burns.
